Dear Pete:

Enclosed is the printout you furnished. The Subcommittee would like to receive a copy of each document against which there is a penciled check and have the printout returned as well.

There is no need to wait until you have assembled all of the documents before forwarding. They can be sent on a piecemeal basis.

A list of all serial publications produced by NFAC and the most recent issue of each produced by ORPA+OER, with the exception of Economic Statistics Weekly Review, would also be appreciated.

Sincerely,

Richard H. Giza
